August 2025

Centre Updates

- We are excited to be getting new fencing installed around the Centre. This is something we have been planning for a while and we will be doing in stages so we don't disrupt the children too much.
- We have been updating the garden beds at the front of the Service with lots of native plants and bluey gnomes.
- As you are aware we have made some slight changes to the way we display the children's daily communications. They will no longer be displayed on EarlyWorks and will now be displayed in the rooms for you to view at pick up time.

Staff celebrations

SUSTAINABILITY

Containers for change & Bottle Top Hill Collection

Thank you for your continued support with the donations for Bottle Top Hill and Containers for Change. We have recently moved the collection bin to under the patio in the entrance to the Centre.

So far we have raised: **\$125.16** from recycling containers! Thank you!!

FUNDRAISING

We still have copies of this years Birra-Li Recipe Book.

They are selling for \$25 and would make a great Father's Present for Dads or Grandfather's 😊

We are holding our first ever Bunnings Sausage Sizzle at the Melville Bunnings on Saturday the 13th of September. Please come and visit us, we'd love to see you there and really appreciate your support.

Vinnies Winter Appeal

Thank you for all your donations towards our Vinnies Winter Appeal Collection. We had another successful year and will continue our collection next year.

Messages from the Rooms

Babies Room:

Please remember to label all water bottles and milk bottles with your child's name.

Please pack a few changes of spare clothes for the babies as we love to get messy. Thank you!

Toddlers Room:

Please remember to label your child's water bottle.

The Toddlers have been exploring baking different cultural foods and would love to get your input with any family recipes or cultural foods that we could try. (Easy recipes please!)

Pre-Kindy Room:

Just a reminder to check daily communications on the board in the room from now on.

With book week coming up please feel free to bring along a favorite book or parents are welcome to come in and read to the class if you're able. If this is something you'd like to do please let one of the staff in the room know.

Kindy Room:

Please ensure your children's cuddlies/ teddies are labelled to assist staff as many have similar ones.

Thank you for your support with keeping toy's from home at home, we appreciate this can be challenging sometimes.

We appreciate your support and understanding with the recent changes to daily communications and children's images. Please feel free to speak to management if you ever have any questions or concerns.

We value your feedback!
