VINNIES WINTER APPEAL

We are now collecting items for the Vinnies Winter Appeal. These items can be things like: Non perishable food items & Essential items like sleeping bags, blankets, tooth brushes, tissues, wipes etc. You can find the collection box in the foyer with a larger item list.

Reminders

- Please label all your child's belongings. Even things like sleeping bags, comforters, water bottles, spare clothes etc.
- Remember to pack warm clothes as the weather is getting cooler. We still try and go outside as much as possible.
- Water bottles- Your child should have a water bottle with them everyday, please make sure it isn't left here overnight and that it gets cleaned regularly. Thank you :)
- As the weather is changing and getting cooler the illnesses will increase. Please keep your child home if they are unwell. We understand it can be hard with work commitments but if everyone can do this then it will stop the cycle of illnesses going through the centre. If you are called to collect your unwell child please do your best to collect them within 30 minutes. Thanks for your understanding. ❤️
