Get involved by sharing your talent with the children. It can be as simple as reading a story book to the class, dancing with them or leading a craft activity. Your children with LOVE seeing you get involved.

6 Communicate and ask questions

Regularly communicate with the team. Educators often get busy but don't let that put you off asking questions about your child's day or the way their room is run. We are here for YOU AND YOUR CHILD. If you have any concerns, please speak with management staff.
